

contacts in the forum. This first element can be satisfied because Daniel's place of employment is in the forum state and he has at least the minimum contacts to satisfy this element accordingly.

peet

2b.) purposeful availment -

The defendant must purposefully avail to committing to some fundamentally important function to the forum state. This element is also satisfied because his purpose in the forum state is to benefit it in his employment as a marine. It is reasonable to conclude that his presence here while stationed purposefully avails him in the forum state

repeat

3b.) reasonable anticipation -

Is it reasonable for Daniel to anticipate that he would be called to court in California?

Yes, this element is satisfied because even though he is domiciled in Arizona, his primary occupation place is in ~~the~~ California.

three part

Court will have personal jurisdiction because all of the elements are easily met.
